

Nursery Photography Information

If you are looking for a new provider, please read on. I am a local independent photographer, CRB checked, fully insured and great with kids. I can capture images your way, in a style you know your parents will love.

If you want outdoor shots, I can do that! Equally end of term photos can be formal and themed or fun and natural. I also cover, group photos, plays, concerts, sports days, staff photos and shots of your setting, so your posts and website images can be fresh, topical and varied. You can even book me to include families and siblings.

Once the photographs have been taken, I will provide at least 4 images of each child. Parents will be able to collect physical proofs 7 days after the shoot.

Parents can order affordable prints and downloads direct, by email or by using the order envelope. I offer a Photo Pack which contains one 10 x 8", one 8 x 6", one 7 x 5", and one 6 x 4" mounted print of a single image for £25.

Alternatively, parents can choose the size and quantity of their prints, photo gifts & products
